

SPRAY ON PROFITS

The row crop **Spray On Profits** offer by Agtegra Cooperative is designed to promote exceptional crop care with the option to **defer expenses until January 22, 2021.**

To utilize this program, simply select one micronutrient and one fungicide listed below for application. If an insecticide is needed, the insecticides listed below qualify for this special offer. Agtegra will custom apply your product choices with January 22, 2021 payment terms - giving you the flexibility to pay on either side of the year.
