

SPRAY ON PROFITS

**DEFER EXPENSES TO
OCTOBER 22, 2020**

Small grain crops reach optimal performance with optimal care! The small grains **Spray On Profits** offer by Agtegra Cooperative is designed to promote exceptional crop care with the option to defer expenses until October 22, 2020.

To utilize this program, simply select one micronutrient and one fungicide listed below for application. If an insecticide is needed, the insecticides listed below qualify for this special offer. Agtegra will custom apply your product choices with October 22, 2020 payment terms - giving you the flexibility to pay on either side of the year.

WINGS OR WHEELS

Micronutrient	Fungicide	Insecticide
CoRoN <i>Helena</i>	Avaris <i>Helena</i>	Baythroid XL <i>Bayer</i>
Infuze <i>Prescription Agronomics</i>	Caramba <i>BASF</i>	Cobalt Advanced <i>Corteva</i>
