

CRC/Heartland (HCP) Corn Swap Program

March 10, 2021

Direct Delivery Swap:

Producer may deliver directly to HCP up to 90 days **prior** to their assigned delivery date putting the bushels under CRC's name and CRC will deliver for the producer when their delivery date is due. A **\$0.02/bu. swap fee will be charged** and after 90 days, CRC's current storage rates will be applied. (Many use this during road postings, during planting/harvesting, bad weather, etc.) Prior to delivery, patron must notify CRC by calling 320-833-3006 to be put on the HCP delivery schedule. **If you deliver to HCP on CRC's behalf and are not on the list, HCP may reject your load.** When you are finished hauling, please contact us so we can adjust our schedule and **tickets need to be turned in weekly.** They can be dropped off at any of our offices or emailed directly to tanar.haala@centralregioncoop.com.

Purchase for delivery:

CRC publishes a daily corn price allowing the producer to purchase corn for their requested delivery week. Corn may be purchased during normal trading hours, 8:30 a.m. to 1:15 p.m. **Beginning immediately, CRC is requiring remittance of payment for corn purchased for HCP before physical delivery.** Invoices will be sent out prior to actual delivery date. If you have any questions, please contact Tanar Haala at 320-833-3006.

OPEN STORAGE delivery:

A producer can deliver corn to any CRC location putting it in OPEN STORAGE – CRC's posted storage rates will apply from date of delivery. CRC will transfer patron's corn to HCP for their requested delivery week. (\$0.05/bu./month storage, \$0.15/bu./load-out charge, plus freight charge to HCP)

Freight: PLUS fuel surcharge, which is not included in the rate shown below.
