

Returning Borrowers: NEW Automated Process for loans ≤ \$500,000

- Quickest, easiest path with no new signatures and no updated financials needed.
- Simply enter the loan amount and submit. (Must meet program requirements, including NetScore ≥ 220.)
- New to EZ Renewal? Watch a quick tutorial here: <https://vimeo.com/445214171/d86dc6c8dd>
- Enter updated financial information, operating line, crop plan, and score. (Must meet requirements and not past due.)
- For those returning customers that don't qualify for EZ renewal, the LRR pathway is the most efficient way to renew the loan.

New Borrowers & Large Loans

Follow AgriLoan (OLA) Path

- App note can be signed either traditionally or electronically for Scorecard loans. Notes for 2021 are Rev. 6/20, no outdated notes will be accepted.
- Loans larger than \$500k require more documentation. Concurrent loans may qualify for restrictions/

Customer Payment Portal

Borrowers can save time and money by paying online at www.myagriloan.com. Watch a clip on how the borrower can view statements, make payments, and more: <https://vimeo.com/265469549/4822d3fa8d>

Reports

Multiple reports are available to help keep the portfolio on track. Examples include: Booked Loan Details (all booked loans for multiple years), Pending Memo (approved loans requiring additional information), and In Process Loan Details (any loan not booked).

Resources

Additional reference materials are available on the Dealer Extranet on the Documents page listed under Resources. This includes the Large Loan Checklist and E-Sign Guide.

Move Money

As the season goes on, money may need to be moved from a borrower's Input loan onto their Fertilizer loan (or vice versa). A tool will be made available online once your location has been authorized. Please reach out with questions.
