

STUDENT CUSTOM APPLICATOR SPONSORSHIP PROGRAM

QUALIFICATIONS:

- High School Diploma or General Education Degree (GED)
- Plan to enroll in Central Community College's Agricultural Sciences Program - Precision Technician Certificate
- Valid Driver's License

TUITION ASSISTANCE

- Tuition assistance will be used to help fund tuition and fees.
 - 1st Semester - \$910
 - 2nd Semester - \$910
 - Internship Credits
- Tuition assistance is earned over a three (3) year period; one year as a student in the Precision Technician Certificate program and two years as a full-time CPI employee.
 - 34% of the value of the tuition assistance is earned in the first year and 66% of the value is earned in the second and third year.
 - Individual will have the opportunity to earn wages and benefits during the program/employment.
 - Individual would be responsible for repaying the tuition assistance under the following situations:
 - If they do not remain a sponsored individual or do not remain an employee of CPI through the completion of the three (3) year agreement.
 - If their performance does not meet the expectations of CPI and they are removed from the program before the completion of the three (3) year agreement.
 - If the individual voluntarily leaves the program before the completion of the three (3) year agreement.

UNIFORMS

- CPI will provide uniform shirts for use during the duration of the program.
- Individual will be required to wear the provided uniforms shirts while working at CPI locations.

EMPLOYMENT

- Individual will be employed (full or part-time) while attending classes. Work schedule is subject to CPI needs and individual's availability and performance.
- CPI will employ the individual during the internship required for credits.
- Individual agrees to work as a Certified Custom Applicator for two years following program completion; subject to their job performance at CPI.
- Following program completion, individual will be eligible for permanent full-time employment at a competitive wage with a generous benefits package, subject to performance.
