## **Lawler Grain Facility Open House**

Wednesday September 16<sup>th</sup>, 2020

---

1948 Union Avenue, Lawler, IA 52154

***Come see the new additions & technologies recently added to our new Lawler Grain Facility!***

This facility is Five Star's most recently completed capital expenditure. This investment back into the Lawler community and employee base is only a step on our mission of adding space and speed to facilities throughout our footprint.

Due to the everchanging landscape CoVid-19 has carved in our area, no meal will be provided, and on-site groups will be limited to 10 people. Small group tours will be given around the new bins, dryer, scale and offices with 4-5 individuals. In order to join us, we ask member-owners and customers RSVP with their respective time slot.

We want to be mindful of increasing case numbers and will be taking precautions to stop the spread. The health and wellbeing of our employees, member-owners and customers proceeds to be our priority going into harvest time.

Face coverings will be required, and additional sanitation will be completed between each timeslot.

If you are or anyone in your household is or has been showing any symptoms of Covid-19, recently tested positive, or are waiting test results, we ask that you do not attend.

**RSVP should be submitted to Dennis by phone at (563) 238-2814**
