

Jessica Schauf

GREAT BEND CO-OP INTERN
SUMMER 2019

Education

Jessica will be a Senior at Kansas State University this fall. She will graduate in 2020 with a Dual Major from the Department of Agriculture in Agronomy and Animal Science and a Minor in Business.

Career Goals

Jessica plans to pursue a career as an Agronomist after graduation.

Background Information

Jessica grew up on a farm in Northern Barton County. She has been actively helping on the family farm for as long as she can remember. This connection to agriculture has led to her love of the rural agriculture lifestyle.

Organizations

- Kansas State University Weed Science Team

Internship Info

WHY DID YOU CHOOSE GREAT BEND CO-OP FOR YOUR INTERNSHIP?

- Close to Home, which is very convenient
- The internship is research and sales based, which will give me great experience for obtaining a role post graduation

WHAT ARE YOUR JOB DUTIES?

- Help Manage the Test Plot - Planting, Spraying, Weed Control
- Create the Test Plot Tour Book for Growers

WHAT IS YOUR FAVORITE THING YOU DID OR LEARNED DURING YOUR INTERNSHIP WITH GREAT BEND CO-OP?

"While it was hard work, putting in the test plots has been my favorite part of the summer"

HOW DO YOU FEEL GREAT BEND CO-OP IS HELPING YOU ADVANCE TOWARD YOUR CAREER GOALS?

- Learning about Sales and Seed Options
- Spraying Experience and Learning about Herbicides

WOULD YOU RECOMMEND GREAT BEND CO-OP'S INTERNSHIP PROGRAM TO OTHER STUDENTS?

Yes! Great Bend Co-op is a very fun place to work and also great place to learn about how a cooperative works
