

CUSTOMER/VENDOR COVID POLICY

MRGA WILL REQUIRE ALL PEOPLE TO WEAR A FACE COVERING IN ALL INDOOR SPACES, INCLUDING COVERED DRIVEWAYS. MRGA WILL HAVE DISPOSABLE FACEMASKS AVAILABLE IF A CUSTOMER DOES NOT HAVE ONE AVAILABLE.

Instead of in person contact, MRGA strongly encourages customers to contact MRGA employees through other various forms of communication, when possible. Customers will need to call ahead and request to set up an in person appointment with MRGA employees. If it is considered necessary to meet with an MRGA employee in person, all individuals will be required to wear face coverings and maintain social distancing of at least six feet.

Customers picking up or receiving any products from MRGA are **STRONGLY** encouraged to call ahead to make their order and arrange pick up. Upon arrival, the Customer should remain outside any facility and/or in their vehicle until an MRGA employee comes out to verify the customer's order. Any interaction with delivery drivers or customers will require the use of face coverings for all individuals.

We appreciate our customer, vendor and community support while trying to get through this Pandemic together.

-MRGA Management
