

# Livestock and the Coronavirus Food Assistance Program

Are you a livestock producer whose operation has been directly impacted by the coronavirus pandemic? The Coronavirus Food Assistance Program provides direct relief to producers who faced price declines and additional marketing costs due to COVID-19.

USDA Secretary Sonny Perdue announced the Coronavirus Food Assistance program on April 17, 2020. Beginning May 26, USDA's Farm Service Agency will be accepting applications from agricultural producers who have suffered losses. Learn more at [farmers.gov/cfap](https://farmers.gov/cfap).

## Eligible Livestock

CFAP assistance is available to livestock producers who have an ownership interest in eligible livestock that have suffered a five percent-or-greater price decline as a result of the COVID-19 pandemic and face additional significant costs in marketing their inventories due to unexpected surplus and disrupted markets.

Livestock eligible for CFAP include cattle, hogs, and sheep. Specifically, eligible livestock are:

- **Hogs**
  - Pigs (< 120 lbs.)
  - Hogs (> 120 lbs.)
- **Cattle**
  - Feeder Cattle (<600 lbs.)
  - Feeder Cattle (> 600 lbs.)
  - Slaughter Cattle: Fed Cattle
  - Slaughter Cattle: Mature Cattle
  - All Other Cattle (not including livestock used, or intended for, dairy production).
- **Sheep**
  - Lambs and yearlings (less than 2 years of age)

## CFAP Payments for Livestock

A single payment for livestock will be calculated using the sum of the producer's number of livestock sold between January 15 and April 15, 2020, multiplied by the payment rates per head, and the highest inventory number of livestock between April 16 and May 14, 2020, multiplied by the payment rate per head.

Producers must provide the following information for CFAP:

- Total sales of eligible livestock, by species and class, between January 15, 2020, to April 15, 2020, of owned inventory as of January 15, 2020, including any offspring from that inventory; and
- highest inventory of eligible livestock, by species and class, between April 16, 2020, and May 14, 2020.

## Additional CFAP Information

Farm Service Agency staff at local USDA Service Centers will work with producers to file applications. USDA will begin accepting applications on May 26, 2020.

USDA is also establishing a process for the public to identify additional commodities for potential inclusion in the program. Visit [farmers.gov/cfap](https://farmers.gov/cfap) for additional information on the Coronavirus Food Assistance Program.
