

# NuWay-K&H Cooperative Holiday Coloring Contest Details

## Accepting Entries Now:

NuWay-K&H Cooperative is now accepting entries for our 2021 Holiday Coloring Contest. All submissions must be in by December 13, 2021 to be eligible. See below for entry details.

## Contest Details:

The holiday season is fast approaching and NuWay-K&H Cooperative is offering local Elementary school students a chance to have their artwork on our holiday e-card and social media platforms. This contest will run now through the end of December 13, 2021. This years theme will be "What is your favorite holiday activity." So we ask students to draw us your best rendition of their favorite thing to do around the holidays.

An independent panel of judges will select the final winning artwork, which is comprised of a grand prize and two runner-ups. When making their decision, the judges take into consideration the creativity of the design, the quality of the artwork and among other factors.

The first place winner will receive an at-home movie theater package including a \$20 Redbox giftcard and their artwork featured at the beginning of our company's holiday e-card. The second and third runner-ups will each receive a gift basket and their artwork featured at the end of the company's holiday e-card.

## How to Enter:

If you're interested in participating here is an overview of how to get started:

- Elementary school students (grades K-6) can enter the contest by drawing "What is your favorite holiday activity" on the Official Entry Form.
