## MULTI SPECIES NUTRITION

### Multi Species

- **Express All Stock Complete**
  - Protein: 12.5%
  - Fat: 4.5%
  - Fiber: 1.9%
  - Ca: 1%
  - Phos: 1%
  - NaCl: 5%
  - K: 1%
  - [Vit A](#) 2,000

- **Express 25% Concentrate**
  - Protein: 25%
  - Fat: 6%
  - Fiber: 7%
  - Ca: 1.5%
  - Phos: 1.5%
  - NaCl: 5%
  - K: 1%
  - [Vit A](#) 10,000

**~ Express All Stock Complete**
A complete feed created to support the fundamental needs of all species.

**~ Express 25% Concentrate**
Feed concentrate to all production stages of beef, dairy and horses. Feed up to 1 lb. per head per day for calves and foals between 1 and 2 lbs per head per day for growing and maturing cattle and horses. Feed high quality forages free choice.

### Rabbit

- **Superior Grower Rabbit Pellet**
  - Protein: 17%
  - Fat: 1.9%
  - Fiber: 11%
  - Ca: 9%
  - Phos: 5%
  - NaCl: 5%
  - [Vit A](#) 4,000

**~ Superior Grower Rabbit Pellet**
A complete feed for all rabbits; ideal for growth, breeding and maintenance of show rabbit.

### Game Bird

- **Express Quail Pre-Starter Medicated**
  - Protein: 26.7%
  - Fat: 3.5%
  - Fiber: 4%
  - Ca: 1.2%
  - Phos: 7%
  - NaCl: 1%

- **Express Quail Grower Medicated**
  - Protein: 23%
  - Fat: 3.5%
  - Fiber: 3.5%
  - Ca: 5%
  - Phos: 8%
  - NaCl: 1%

- **Quail Flight Conditioner Medicated**
  - Protein: 16%
  - Fat: 3.5%
  - Fiber: 8.8%
  - Ca: 5.5%
  - Phos: 7%
  - NaCl: 7.5%

- **Duck Flight Condition**
  - Protein: 16%
  - Fat: 2.9%
  - Fiber: 6%
  - Ca: 7%
  - Phos: 7%
  - NaCl: 14%

- **Duck Flight Maintenance**
  - Protein: 14%
  - Fat: 3%
  - Fiber: 9%
  - Ca: 7%
  - Phos: 7%
  - NaCl: 12%

- **Duck Breeder**
  - Protein: 12%
  - Fat: 7.2%
  - Fiber: 3.2%
  - Ca: 8.8%
  - Phos: 8.8%
  - NaCl: 2%

**~ Express Quail Pre-Starter Medicated with Amprolium**
Replacement chicken or quail complete feed. Development of active immunity under severe exposure to coccidiosis up to 5 weeks of age. For increased rate of weight gain and improved feed efficiency.

**~ Express Quail Grower Medicated with Amprolium**
Feed to growing quail from 6-12 weeks of age. For the prevention of ulcerative enteritis in growing quail.

**~ Quail Flight Conditioner Medicated**
Feed as sole ration to quail being prepared for release. For the prevention of ulcerative enteritis in growing quail.

**~ Duck Flight Conditioner**
Feed as sole ration to ducks being prepared for released. Complete feed for ducks 6 to 12 weeks of age.

**~ Duck Flight Maintenance**
Feed as sole ration to ducks being prepared for released. Complete feed for ducks 12 weeks of age & beyond.

**~ Duck Breeder**
Feed as sole diet for ducks during the breeding period.

### Deer

- **Express Deer**
  - Protein: 16%
  - Fat: 6%
  - Fiber: 10%
  - Ca: 8%
  - Phos: 7%
  - NaCl: 2%
  - [Vit A](#) 12,000

- **Superior Deer 20**
  - Protein: 0%
  - Fat: 0%
  - Fiber: 0%
  - Ca: 9%
  - Phos: 2%
  - NaCl: 61%
  - [Vit A](#) 50,000

**~ Express Deer**
Complete textured feed to be fed to deer in natural setting or raised pasture for ideal growth and appearance.

**~ Superior Deer 20**
Deer begin using supplemental minerals around spring green-up and continue until early fall. Calcium and Phosphorus are the most common minerals that harden antlers and help them grow.

### Guinea Pig

- **Pellleted Guinea Pig**
  - Protein: 20%
  - Fat: 6.5%
  - Fiber: 11%
  - Ca: 6%
  - Phos: 5%
  - NaCl: 2%
  - Lysine: 1.1%

**~ Pellleted Guinea Pig**
Pellleted complete feed formulated for the essential requirements of guinea pigs.

### Fish

- **AquaMax 400**
  - Protein: 45%
  - Fat: 16%
  - Fiber: 3%
  - Ca: 1.7%
  - Phos: 1.2%
  - NaCl: 0.6%

- **AquaMax 500**
  - Protein: 41%
  - Fat: 12%
  - Fiber: 4%
  - Ca: 2%
  - Phos: 1.1%
  - NaCl: 0.6%

- **AquaMax 2000**
  - Protein: 32%
  - Fat: 3%
  - Fiber: 5%
  - Ca: 7.5%
  - Phos: 6.5%
  - NaCl: 0.6%

- **AquaMax 4000**
  - Protein: 36%
  - Fat: 6%
  - Fiber: 5%
  - Ca: 7.5%
  - Phos: 0.8%
  - NaCl: 0.6%

- **Spinach Fat Cat**
  - Protein: 32%
  - Fat: 4%
  - Fiber: 7%
  - Ca: 1%

### Raw Ingredients

- **Alfalfa Meal**
  - Molasses Dry
  - Sunflower Seeds

- **Alfalfa Pellets**
  - Monocalcium Phosphate
  - Vitamin A

- **Calcium Carbonate**
  - Rolled Oats
  - Vitamin D

- **Canola Meal**
  - Salt
  - Vitamin E

- **Copper Sulfate**
  - Soybean Hulls Pellets
  - Whey

- **Corn Gluten Pelletized**
  - Soybean Oil Regular
  - Whole Corn

- **Cotton Seed Hulls**
  - Soybean Oil Corned
  - Whole Oats

- **Cracked Corn**
  - Soybean Oil Corned
  - Whole Oats

- **Linseed Meal**
  - Soybean Meal

- **Lysine**
  - Steamed Rolled Oats
