

Job Description Feed & Livestock Internship

ABOUT THE COMPANY

Chartered in 1919, The Equity is one of the largest independent agricultural cooperatives in Illinois. The Equity offers a broad range of products to fulfill our customers' needs within the areas of Agronomy, Grain, Feed & Livestock, Energy, and a Retail Store. Our market covers approximately 20,000 square miles with 23 different locations. The Equity strives to provide the best products, latest technology, and highest quality service.

THE POSITION

The Equity is seeking a Feed & Livestock Intern who is pursuing a B.S. at a four-year college/university with a major in Animal Science, Ag Business and related fields. Candidates with strong communication skills combined with previous animal science based sales experience should apply.

The internship will expose students to the many facets of feed sales and livestock production. Internship learning experiences will include, but are not limited to:

- Execute summer projects to promote The Equity feed department in order to maintain and grow a customer base
- Work with feed salesmen and participate in sales calls to see how producer needs are met
- Partner with the livestock team to identify ways to increase swine production efficiency
- Spend time in the feed mill and warehouse to learn about day-to-day operations
- Increase understanding of the feed and livestock industry
- Develop customer service, time management, and organizational skills
- Participate in open houses, customer appreciation events, and internship program

APPLICATION

Please submit a resume, cover letter and one letter of recommendation stating qualifications and experience.
